The above proposal has sanctions in Govt. Memo No. 12680-1 dt 4.1.21. The Senior Surgeon presently draws a Conveyance allowance of Rs 30/- for the said work. It is not understood why a Lady Sub Asst. Surgeon should not be entitled to the same.

Surgeon attached to the Maternity which is close to the Lunatic Asylum should be deputed to pay weekly visits to the latter - as a temporary arrangement. Apparently at the time of according sanction it was not understood that the arrangement would entail additional expense -

If a conveyance allowance is considered necessary by the administration, Rs 15/pm may be allowed, Medl. to bear the Conveyance hire - on the visiting days.

Sir,

Adverting to Government Order No. G.12680-1/Medl. 101-20-2 dated 4th January 1920, I have the honour to state that Lady Assistant Surgeon Mrs.M.R. Isaac has been paying regular weekly visits to the Lunatic Asylum from 20th January 1921 and examining and treating the female inmates numbering on an average, about 54. This work she has done in addition to her duties at the institutions to which she was attached, Viz., first at the Maternity and since July 21, at the Victoria Hospital to which she was transferred by Notification No.25032 Medl.15-20-38 dated 28th June 21. It is reported by the Superintendent that the systematic examination and treatment of constant disorders in the female patients has greatly helped in preventing the mental disorders of the patients from growing worse. It is hardly necessary to say that the work of examining and treating these poor filthy patients requires more than the usual amount of patience and fortitude on the part of the Medical Officer. I therefore recommend the grant of a conveyance allowance of Rs.30/- per mensem to the Assistant Surgeon for this extra work, with effect from the 20th January 1921 the extra cost during the current year being met from the provision of Rs.3,000/- made in the budget for the revision

Dear Sir,

In reply to your D.O.letter No.L.2951-Med. of the 21st instant, I write to inform you that the examination and treatment of female lunatics, who are generally of filthy habits is a work requiring a great deal of patience and endurance on the part of the Medical -- Officer and that the amount of allowance, though styled as conveyance allowance, has been fixed to adequately compensate the officer for both the conveyance charges and the extra time and trouble involved in the work, which she is expected to do in addition and without prejudice to her legitimate work in the Victoria Hospital. Any allowance less than Rs.30/- will be inadequate not only for the trouble and responsibility involved but also when compared with the status of the Officer concerned.
